

5 TIPS FOR MEET THE EMPLOYER EVENTS

1

Do attend

This is a chance to meet with companies who are recruiting and may be able to offer work experience.

2

Do your research

Try and find out which Employers are attending. Google them to find out more!

3

Prepare a 30 second introduction

Tell the Employer who you are, the course you are on and what you want to do when you finish.

4

Ask Questions

Take an interest in the people, ask questions about the role and organisation.

5

Find out the best person to send your CV to

You can have CVs with you but you want to make sure that your CV goes to the correct person.
